

Our Favorite Vacations

By Students of Hogwarts

Team Introduction

Tiffany

Lori

Chuck

Agenda

- Our Website Idea
- Challenges
- Learnings
- Short Retrospective
- Dreams of Betterment

Our Website Idea

A website to highlight our favorite vacations.

Challenges

- CSS can cause issues when sizing and picture placement.
- CSS can be troublesome if not organized.
- Live share in VS Code seemed to present some issues when it come to multiple people attempting to make changes.
- Lori's new but possessed laptop... with the ever present, unwanted contributor...

*The way to
get started is to
quit talking and
begin doing.*

Walt Disney

Learnings

Chuck

- Continued learning DOM manipulation experiences
- Application of learned skills using DOM. Add transitions, animations, and motion
- Applying a filtering process for images

Tiffany

- How to create an image slideshow
- Website preview when hovering over a link using the iframe tag
- CSS organization is important

Lori

- Embedding video and other media
- GitHub merge conflict resolution
- To prevent malicious attacks from linked pages
- The difference between GitHub and GitLab

7/16/2021

Short Retrospective

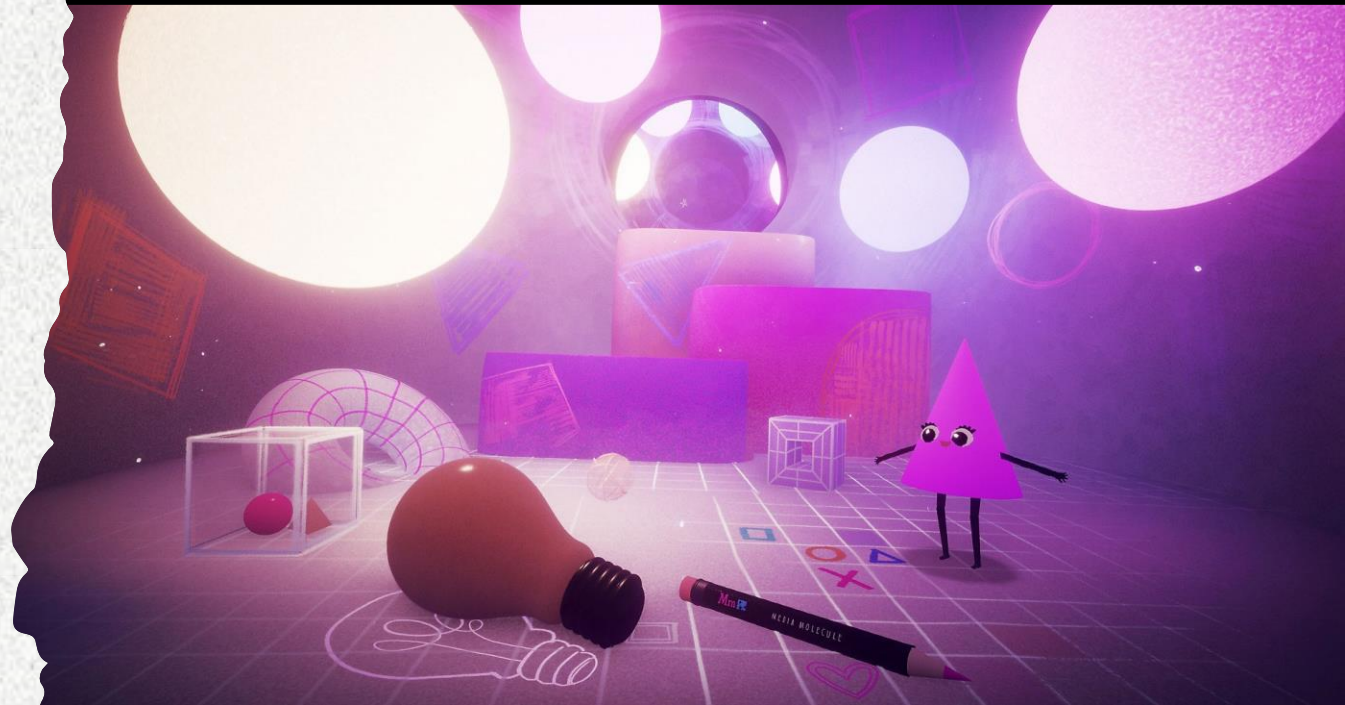

- Better organization of the code
- Approach to styling
 - More organized on how to apply
 - Get best practices ahead of time

7/16/2021

Dreams of Betterment

- Add more personal touches
- Update submit button to provide for selected location:
 - Images
 - Link to events or top 5 things to do
- Add images based on the type of weather.

Thank you

Tiffany, Chuck & Lori
aka
The Students of Hogwarts
